

INVITATION

20
YEARS

German
Apsara
Conservation
Project

1997-2017

Siem Reap/November 15th, 2017

**Excellencies,
Dear Colleagues and Friends,**

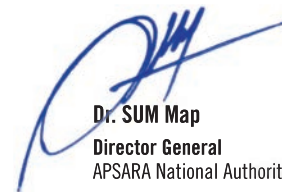

We have the honour to invite you to celebrate with us 20 years of GACP's engagement in Cambodia and our successful cooperation. We commemorate this date with a scientific conference dedicated to the conservation of Khmer Heritage in the APSARA Conference Hall in Siem Reap on **December 15th, 2017.**

GACP conservation scientists and the skilled team of GACP Khmer conservators work hand in hand with the APSARA National Authority for the conservation of the precious monuments in Angkor. Thanks to funding by the Cultural Preservation Programme of the German Federal Foreign Office and the TH-Koeln – University of Applied Sciences, GACP could already preserve large parts of the famous reliefs in Angkor Wat and many other temples.

We want to express our gratitude to all supporters, colleagues and friends and look forward to interesting presentations and exciting conversations during the symposium.

Please respond until 08. December 2017 for registration to the symposium to: gacp_cambodia@freenet.de.

With kind regards

Dr. SUM Map
Director General
APSARA National Authority

Prof. Dr. Hans LEISEN
Project Director
