the registration process**

Diversity in Media Societies

27/28th of October, 2022

TH Köln

**Technology
Arts Sciences
TH Köln**

Since the registration tool does not have a possibility to provide all texts in English, you will find the English version below.

Titel: Registration to the Conference „Diversity in Media Societies“ taking place at the TH Köln

Below: Datenschutzhinweis/Information on data privacy:

On this page you can register for the conference by conveying some of your personal data. We need the data in order to plan the event. Your data will only be used and saved for this purpose and will be deleted after the event is over. The data will not be transferred to third parties.

The legal basis for processing the data is – if you confirm so – at the bottom of this page Art. 6 Abs. 1 lit. a) DSGVO (Datenschutz-Grundverordnung). At any moment you have the possibility to change the saved data or have it deleted. For this purpose, please contact: datenschutz@f01.th-koeln.de

On the bottom of the first page:

I confirm that the TH Köln is allowed to process my given data for the purpose explained above. I have understood the information on data privacy of the TH Köln and agree with it.

On the very bottom of the first page on the right, please click: Absenden/Send >>

You will now be forwarded to another page saying:

An email with a code has been sent to you. Please fill in the code here.

Code:

Check your emails and find an email telling you the code. The email reads:

This is the code to confirm your registration for the Conference "Diversity in Media Societies".

Code: XXXX

Go back to the registration tool and fill in the code and press >>Absenden/Send

The registration is now completed. You will receive an email with a copy of the data you have conveyed to the TH Köln.
