

WEBINAR

”10 Years After the Indian Ocean Tsunami 2004 – Lessons of Disaster Recovery, Rehabilitation and Resilience”

When: Tuesday, 15 September 2015, 11 am - 1 pm (UTC+2)

Where: <http://alumniportal-deutschland.de/webinar-tsunami>

In the first webinar of the DAAD Alumni Seminar 2015, the Cologne University of Applied Sciences – Institute of Rescue Engineering and Civil Protection, United Nations University – Institute for Environment and Human Security and the University of Colombo - Department of Sociology provide a first introduction into the topics of risk, vulnerability and resilience and present insights on relocation and post-disaster needs assessment. The webinar will be held in English inside the Disaster Management-group in the Alumniportal Deutschland: <http://alumniportal-deutschland.de/webinar-tsunami>.

To be able to take part in the webinar, all of you have to do is join the Alumniportal Deutschland, if you have not already done so already. Become a member of Disaster Management-group. Joining the network is free of charge.

If you cannot make it to the live session, the recording of the webinar will be [uploaded to the group](#) soon after the session, so that you do not have to miss out on the presentation and discussion.

We are looking forward to seeing you online soon!
