The mural of the rectory of Tecnológico de Monterrey is a high relief carved in rock and adorned with mosaic; it represents the daily triumph of civilization and culture over the dark forces of stagnation and apathy. To illustrate this, Jorge González Camarena chose the battle and victory of Quetzalcóatl over Tezcatlipoca.

The mural measures 7 by 32.4 meters (23 by 106 feet).
Presence in México

31 campuses
Tecnológico de Monterrey

3 high school programs
- Bicultural
- Multicultural
- International baccalaureate

57 undergraduate degrees
Areas:
- Agriculture and Food
- Architecture
- Social Sciences and Humanities
- Communication and Journalism
- Law
- Design and Applied Art
- Engineering and Science
- Business and Administration
- Health
- Information Technologies and Electronics

35 international degrees
Areas:
- Administration and Finance
- Health Sciences
- Humanities and Social Sciences
- Engineering and Architecture
- Information Technologies and Electronics

26 face-to-face master’s degrees
Areas:
- Administration
- Humanities and Social Sciences
- Engineering and Architecture
- Information Technologies and Electronics
- Education
- Health
- Public Policy
Students

SEMESTER JANUARY - MAY 2013

98,935

High school 27,856
Undergraduate 55,455
Graduate and postgraduate 15,624

51.9% with a scholarship or financial aid
42,235 participating in cultural activities
51,393 participating in sports activities
21,881 participating in student leadership activities
