Guidelines for the letter of recommendation to be submitted with the application for the "NRWege ins Studium" Grant Program

Please feel free to design the letter of recommendation according to your wishes. The document should not be longer than one DIN A4 page. The following questions can help you organize your letter of recommendation:

- Which of your courses has the applicant taken?
- What positive qualities have you noticed about the applicant?
- How would you evaluate the applicant's academic performance? In what way does it differ from other students' performance?
- How would you assess the applicant's academic skills?
- How would you assess the applicant's social skills?
- Please also refer to the [NRWege grant program](#): In what way would the applicant benefit from a grant?
- Finally, based on the aspects you have already mentioned, how would you assess the applicant's prospects of future success?"

Please send your letter of recommendation to stipendien-nrwege@th-koeln.de.

Thank you for your support and for your effort on behalf of the applicant.
