

# First Semester Information

We look forward to welcoming you at TH Köln (University of Applied Sciences) to join our master programs in Renewable Energy Management (REM), Natural Resources Management (NRM) and Integrated Water Resources Management (IWRM). Here is some information to help get you started:

## Welcome Day

04.10.2017 at 14:00

@Campus Deutz - 4th floor "O" wing (ZO-4)

The semester at the ITT begins on 04.10.2017 with the „Welcome Day“. On this day the ITT will open its doors to grant students the opportunity to get to know professors and staff, as well as get an insight into the various services and facilities of the institute. Further information about this day's agenda and the official welcome ceremony will be uploaded [here](#) shortly.

## Get-to-know you Workshops

### Who is Who in your study program?

At ITT many different nationalities are studying together in each MSc program. In order to allow you to get acquainted with your new fellow students and study environment, we are running 3 hour workshops each day from the 4th to 6th of October – each program on a separate day. The Workshops will help you to initialize team building processes that will be relevant for your project modules.

**NRM Network Meeting** (all NRM 1st Semester Students):  
04.10.2017, 10:30-13:00; Room ZS-7-10

**REM Network Meeting** (all REM 1st Semester Students):  
05.10.2017, 14:00-16:30; Room ZS-7-10

**IWRM Network Meeting** (all IWRM 1st Semester Students):  
06.10.2017, 14:00-16:30; Room ZS-7-10
