1. Participation form and Sanctions list check¹

I would like to apply for a Deutschlandstipendium. Certain data is processed for the application and selection process and, if applicable, the subsequent awarding of the scholarship. I am aware that my application can only be considered if this data is provided. For the purpose of the application for the scholarship program and its implementation and handling, I consent to my data being processed by TH Köln and forwarded to any individuals/reviewers involved in the selection process. For the purpose of administrative simplification, TH Köln may compare data with other internal institutions of higher education.

I will immediately inform TH Köln of any changes to my contact information.

Supporting documents will not be returned upon completion of the selection process, but will be destroyed. If my application is unsuccessful, my data will be deleted after approximately one year.

If I am accepted to the scholarship program, I agree that my contact and study data (first and last name, address, e-mail address, phone number, degree program and semester) may be passed on to my sponsor to enable a constructive exchange.

I am also aware that, if this consent is revoked during ongoing funding, no further funding can be granted.

I agree that any image and sound recordings made or to be made as part of the Deutschlandstipendium may be used by TH Köln and/or my sponsors for the purpose of public relations with regard to the Deutschlandstipendium.

In case I am awarded a scholarship I agree to my data being stored for 10 years.

I am aware that I can revoke my consent in writing at any time with effect for the future and that the data stored electronically by TH Köln must be deleted immediately after expiry of any legal retention periods.

Once the data has already been passed on to the sponsor(s), I will contact them directly for any requests such as the deletion of my data stored there.

It is not permitted to receive double funding through another merit-based scholarship program. The statutory provisions of the Scholarship Program Act (*Stipendienprogramm-Gesetz* (StipG)) and the related ordinance (*Stipendienprogramm-Verordnung* (StipV)) apply. I acknowledge that the scholarship may be withdrawn in whole or in part and reclaimed (with interest) in the event of false information.

I commit to informing TH Köln immediately and without being asked, stating the reasons, if I receive any other funding or if the conditions to receive funding are no longer met, e.g. if I interrupt, discontinue, do not start or successfully complete my studies.

I am aware that the Deutschlandstipendium is funded in part by Bundesministerium für Bildung und Forschung/Federal Ministry of Education and Research and in part by private sponsors (commercial enterprises, foundations, private individuals, etc.). Some private sponsors are legally obliged to comply with trade control regulations. As TH Köln is paying the scholarship to me, it is obligated/required carry out the sanctions list check.

I am aware my personal data being processed as part of the sanctions list check and I am aware TH Köln carrying out regular checks of my personal data against the relevant sanctions lists for the duration of the scholarship.
