Please note that an interview invitation can only be expressed if we have received the respective result.

PLEASE NOTE: Polish, Chinese and US-American citizens are requested not to submit their application to the THK, but to apply directly to our respective partner universities in Warsaw, Dalian and Jacksonville.

Details on the application process can be found on the following website: www.th-koeln.de/globalmba/application. There are two application procedures:

1: German Applicants + foreign applicants with a German university degree apply directly with TH Köln. Please find the link to TH Köln’s online application platform (from early May on) here: www.th-koeln.de/globalmba/application. The submission deadline is June 1 (applications must be complete).

2: Non-German applicants with a university degree from a non-German university are required to use uni-assist to make their application. They should send the appropriate application form (download from the uni-assist website) together with the documents as required with ordinary mail by May 15. Further details about the application procedure via uni-assist can be found at: https://www.th-koeln.de/en/academics/uni-assist-document-review_8553.php and on http://www.uni-assist.de/applying.html

Once your application has been reviewed and if you meet the formal admission requirements (or if the result of your academic document review by uni-assist is positive) you will be invited to take the aptitude test in form of an interview (you are not required to register for the aptitude test separately). The interviews will be held in late June/early July; invitations will be sent out in good time.
