Is your Master's thesis an external thesis*? Yes No

*External thesis: Students work on their thesis mainly on the premises of a company/institution(1) where they receive professional supervision and support from the company/institution. The topic of the thesis is in the company's/ institution's interest. The second examiner can be (but does not have to be) employed by said company/institution.

(1) Definition company/institution: Company: Economic and socio-economic enterprises; Institution: associations, public institutions, non-profit organizations, non-governmental organizations

I am aware of the examination regulations:

Only students who have accumulated at least 85 ECTS credits and have passed all compulsory modules are allowed to register for the Master's thesis. The final oral examination cannot take place before all module examinations and the Master's thesis have been passed (i.e. graded "sufficient").
